RESTARTS At first glance the number and variety of restarts could seem difficult, but they are very easy to manage.

Start the dance knowing wall 1 and wall 2 only have 24 counts. If you keep that in mind there are only 2 remaining restarts. The music clearly announces these restarts. They happen after 16 counts on wall 4 and wall 7. WALL 1 after 24 counts (facing 3 o'clock) WALL 2 after 24 counts announced by super upbeat music (facing 6 o'clock) WALL 4 after 16 counts announced by super upbeat music (facing 9 o'clock) WALL 7 after 16 counts announced by super upbeat music (facing 6 o'clock)

HAVE FUN DANCING
